

PINELOCH PIRANHAS SWIM TEAM

SPONSORSHIP REGISTRATION FORM

The Mission of the Pineloch Piranhas Swim Team is to develop both swimming and personal skills while providing a safe and healthy activity for neighborhood youth during the summer. It was formed in 1991 as a non-profit organization. Our team is part of the Clear Creek Swim League and is run by a group of parent volunteers. Practices are held at Pineloch pools in the Bay Glen subdivision. Practices typically begin in late April. Our season typically runs through early July, culminating in a Champ series in which the entire Clear Creek Swim League participates. Approximately 170+ children, ages 5 to 18, participate on our team. We have 6 swim meets lasting roughly six hours which have approximately 500+ people in attendance offering great visibility to any sponsor's advertisement. In addition, your website and newsletters ads would be repeatedly seen by parents checking their child's swim times, pictures and upcoming Piranhas events. Finally, all sponsorships are verbally acknowledged at our final picnic/awards ceremony.

Our sponsorship program helps pay a portion of the costs associated with paying our swim coaches, rental of meet pools, and insurance. Recommended levels list below. Any amount is accepted and all sponsors will be verbally acknowledged at our awards ceremony.

- | | | |
